IN THE HIGH COURT OF JUDICATURE, ANDHRA PRADESH
AT HYDERABAD

THE HON'BLE MR JUSTICE N.V. RAMANA

WRIT PETITION NO : 4177 of 2000

DATED: 9-12-2005

Between:

Md.Ameenuddin S/o. Md.Murtuza,

Golkonda street, Medak petitioner

And

APSRTC

Rep by its Depot Manager,

Gajwel Pregnapur Bus Depot,

Medak district Respondent

THE HON'BLE SRI JUSTICE N.V.RAMANA

WRIT PETITION NO. 4177 OF 2000

ORAL ORDER:

The present writ petition is filed questioning the proceedings
No. P1/255(1)99 GPP dated 31.12.1999 in regularizing the services of the petitioner

w.e.f. 31.12.1999 instead of from the date of his initial appointment.

When the matter is taken up for hearing today, it is represented by the learned counsel for the petitioner as well as the learned Standing Counsel for A.P.S.R.T.C., that the subject matter of this writ petition is squarely covered by a decision of the apex Court in ***"Divisional Manager, A.P.S.R.T.C., v. P. Lakshmoji Rao***, wherein it was held thus.

> "In view of this peculiar situation and in order to avoid the anomalies that might otherwise ensue, while we hold that the respondent-employees have failed to establish their legal right to get the status of regular employees right from the date of their initial appointment on daily wage basis and the respective dates of regularization assigned to the respondents cannot be legally faulted, we are inclined to mould the relief in modification of the directions given in the judgments under appeal and direct as follows:
>
> If any of the Conductors, junior to the respondents in the relevant seniority list of the concerned Division/Region, have got the benefit of seniority and regularization **OR** are entitled to get the same by virtue of the judgments that have become final, then the respondents who are seniors to them, shall be given the same benefit on the same principle.
>
> With these directions and observations, the Civil Appeals are disposed of without costs."

Hence, following the said decision and for the reasons mentioned therein, this Writ Petition is also disposed of in terms thereof. No costs.
